Main Round Appeals for 2022-23 to continue to be facilitated as a paper-based option. This offers KCC the strongest potential to hear all necessary appeals in a fair and transparent way by the beginning of the new school year and mitigations have been developed to ensure that appellants are not unduly disadvantaged as a result of the unavoidable limitations of hearing appeals in this ongoing pandemic situation.

If you have an equality consideration that prevents you from providing a written statement and you do not have reasonable support to do so, you are to make the school aware at your earliest convenience. Although the Panel would have a duty to consider your reasons, there would need to be clear grounds for them to identify an alternative format for your appeal to be heard.

Examples of school work your child may have undertaken **will not be accepted** as the Panel will not be able to make a proper judgement about its quality. The members would have nothing to measure it against and would not know the depth of the work submitted. Also, they would not know whether the work had been carried out unaided.
