

Dear Parents/Carers

The link to Accent Catering's online payment facility is now live. To access this please logon to the school website and use the payment tab. From here you will be asked for your login details, these are the details you have already been issued by the school for all other school payments. You will then be able to select the Accent Catering payment facility to make your deposit to your child's account.

The Biometric tills will be fully operational from Monday 18th November 2013; no cash will be accepted at the tills from this date. If you are unable to or do not wish to pay for your child's school meal provision via the online payment portal, you may send cheques made payable to Accent Catering to the Knatch Hatch, with the student details and form on the envelope.

Whilst the school is hosting the payment portal, we have no control over the payments or allocation of funds and are not able to access this information; all enquiries pertaining to catering issues should be addressed to Accent Catering: NortonKnatchbull@accentcatering.co.uk.

Students will not be registered on the new till system unless the Biometric consent form has been submitted to the school and they have had their finger scanned for recognition. These forms are still available to download from the school website.

Yours sincerely

Mrs P Bunnell
School Business Manager
