1. Rationale

This Policy sets out the standards of behaviour we wish to achieve and the processes through which we aim to achieve them. In particular, it describes how the School intends to ensure that rewards and sanctions are used appropriately and consistently throughout the School.

However, the School aims that its students will develop, not only high standards of behaviour, but also, high standards of personal development; we want our students to be self-disciplined young people who are confident and at their ease in a variety of situations. We also want them to develop a vision of what they can achieve in the future that will motivate them whilst at the School and in later adult life.

In order to bring this about, the School strives to provide an engaging and challenging curriculum that students feel is relevant to their aspirations and abilities. This policy outlines the strategies that the School intends to use to achieve high standards of behaviour and student development.

The sections headed "Behaviour and Consequences" and "Rewards and Celebration" describe how we intend to ensure that students are rewarded consistently for good behaviour, and receive sanctions that are not excessive, but incremental and appropriate to the behaviour that we wish to correct. The emphasis is on fairness and consistency at all times.

2. Purpose

All schools function at their best when all members of community behave in a manner that is conducive to cooperation, mutual respect, and ultimately, learning.

In order to maximise the function of NKS, therefore, it is important that all members of the school are clear of what is expected of them and how they can expect to be rewarded for excellence and sanctioned for digressions from those expectations.

The school's behaviour expectations underpin the school's Mission Statement:

Mission Statement

At The Norton Knatchbull School we are proud of our history, tradition and achievements, at the same time as looking to the future for fresh challenges.

- We value each individual for whom they are and their ability to improve and grow
- We share mutual respect based on care, integrity and trust
- We are inspired by a passion for creative and demanding learning experiences
- We work with the wider community to make a positive difference
- We celebrate our achievements, both in the classroom and beyond

(This Mission Statement was developed through consultation with students, staff, parents and governors).

3. Behaviour principles

The Behaviour Principles which underpin our policy are the same as those recommended by [DfE](#).

- Every pupil understands they have the right to feel safe, valued and respected, and to be able to learn free from the disruption of others.
 - All pupils, staff and visitors are free from any form of discrimination.
 - Staff and volunteers set an excellent example to pupils at all times.
 - Rewards, sanctions and reasonable force are used consistently by staff, in line with the behaviour policy.
 - The behaviour policy is understood by pupils and staff.
 - The suspensions and exclusions policy explains that exclusions will only be used as a last resort, and outlines the processes involved in suspensions and exclusions.
 - Pupils are helped to take responsibility for their actions.
 - Families are involved in behaviour incidents to foster good relationships between the school and pupils' home life.
-

Implementation

3.1 Behaviour for Learning

Every classroom should have the School's 'Behaviour for Learning Rules' displayed (see below).

'Behaviour for Learning Rules'

- Arrive on time for lessons.
- Enter the class quietly and calmly, sit in designated seat and commence "Do it Now" task.
- Always wear correct uniform.
- Complete all work in lesson to the best of your ability, presenting your work neatly.
- On dismissal at the end of the lesson leave the class in an orderly fashion.

3.2 Different Subject Area expectations

Each Subject area may additionally have their own set of expectations that relates specifically to their department if required. All staff and students in each department should be fully aware of these expectations. They should be displayed in the department.

3.3 Home/School Contract on Expectations

Every student and their parents must sign the 'Home/School Contract on Expectations' (see overleaf). The 'Home/School Contract on Expectations' should be displayed on every form notice board and discussed by the form tutor at the beginning of the year.

3.4 Behaviour Monitoring and Intervention

- Every week a Behaviour Points Report will be produced.
- Year group Pastoral Teams - Heads of Year (HoY), Student Support Managers (SSMs) and SLT - will meet every week to review individual students and the behaviour points they have accrued.
- A student will go on SSM Report when 10 points have been accrued. They will stay on report for 2-3 weeks depending on the weekly outcome of the report.
- A student will go on HoY Report when 20 points have been accrued. They will stay on report for 2-3 weeks depending on the weekly outcome of the report.
- A student will go on SLT Report when 30 points have been accrued. They will stay on report for 2-3 weeks depending on the weekly outcome of the report.
- Students on SSM, HoY or SLT report will be listed on the staff bulletin.
- Parents will be invited in for a meeting every 10 points.
- Persistent offenders and the highest points scorers will be constantly monitored.
- Alternative support and strategies will be sought for cases that require outside agency help. This may include – AEN, external agencies, and managed moves.
- When a student is on Subject Report, SSM Report, HoY Report or SLT Report they will initially not be allowed to attend any non-essential trips or sports fixtures during the school day (for Subject report, this only applies to the individual subject). When setting up the report with students and parents, it will be discussed that it may be possible for the student to earn back this privilege. This would involve a minimum target of 1 week with all grades 1 and 2 on the report. If there are any behaviours that do not meet expectation in Week 2 of the report i.e. 3s or 4s then the student will not be allowed to play sports fixtures for the school.
- A termly report is also analysed by the school's senior leadership team to ensure that certain groups of students are not overrepresented.

Electronic Devices / Mobile Phones Rules

At the Norton Knatchbull School we operate an "Off and Away" procedure on Electronic Devices.

Electronic Devices = Mobile phones, Earbuds/headphones, Smart Watches, portable games devices (e.g. Nintendo Switch).

Electronic Devices are not allowed to be used or seen during the school day, **this includes break and lunch times.**

Students must put away their Electronic Devices as soon as they enter the school grounds. This also applies to earphones/headphones and smart watches, these are classed as "Electronic Devices"

If a student is seen with an "Electronic Device" or uses them for any purpose during the school day, it will be confiscated on sight by a member of staff. The member of staff will deposit the Electronic Devices at reception to be securely stored.

If a student is caught using an electronic device the following will apply:

- If an electronic device is confiscated in the first instance, it can be collected by the student at the end of the day from reception. The student will also receive a L1 detention.
- If an electronic device is confiscated in the second instance during any half term, it can be collected by the student at the end of the day from reception. The student will also receive a L2 detention.
- If a student has their electronic device confiscated for a third time during any half term the student will receive a L3 detention. **Parents will be called to come in to collect the phone at the end of the day.**

Students who refuse to hand over their Electronic Devices upon request from a member of the senior leadership team will be sent to Internal Withdrawal where they will hand in their Electronic Devices as per rules of internal withdrawal. They will complete one day of Internal Withdrawal for failing to follow instructions.

Every member of staff can confiscate an Electronic Devices and it is expected that all members of staff uphold this rule.

Sixth Form students have permission to access their and electronic devices whilst in the Sixth Form Centre and study areas, these are the library, canteen and study rooms. Sixth Formers are not allowed to use their Electronic Devices in corridors and if seen doing so the same rules above apply. They will also be allowed to use them in lesson under the direction and supervision of the teacher.

3.8 Uniform and Equipment Card

All students are issued with a Uniform/Equipment Card at the beginning of every term. They should carry this with them in their blazer pocket all day, every day. If the uniform is not being worn correctly (in form time, lessons, corridors) staff will sign, date and write the infringement on the card.

The uniform/equipment card infringements that can be signed against are listed as follows for Years 7 – 11:

Years 7 – 11 Uniform Card	Sixth Form Dress Code Card
<ol style="list-style-type: none"> 1. Incorrect uniform <ul style="list-style-type: none"> - Blazer to be worn - Tie correctly worn^a - Shirt to be tucked in - No hoodies/round necked jumpers - Plain dark grey or black trousers, shorts^b or skirt^c - Plain dark grey or black v neck jumper - Black, grey or dark blue socks - Plain black shoes (not boots or trainers or shoes that look like trainers) - No jewellery 2. Dropping litter 3. Late to lesson 4. Work incorrectly presented 5. Fully equipped for all lessons i/c PE kit <p>a/ Tie covers top button and is worn down to the abdomen b/ Smart tailored grey or black shorts only (Term 6 only) c/ Smart grey or black pleated skirt of knee length d/ Allowed at break and lunchtime, but not in corridors or in lesson unless permitted by staff</p>	<p>6th form dress code published on website</p>

- At lunchtime students may remove blazers (with card in the pocket) and lock them in their lockers. Trainers may be worn for playing football. When afternoon lessons start, all students must be in correct uniform.
 - No coats are to be worn inside the school buildings.
 - If the member of staff signs the fifth signature on the card, they will hand it to their Student Support Manager and collect a new card. If a student ever refuses to give his card or has no card, the Student Support Manager must be informed by the member of staff as soon as possible. The sanction for five infringements on the card or not having or giving over a card will be an L2 detention. All 'first issue' uniform cards that are devoid of any staff signatures at the end of each term are entered into a prize draw.

3.9 Investigating incidents of poor student behaviour

When investigating incidents of serious misbehaviour, the protocol outlined in **Appendix A** should be followed.

3.10 Confiscation of Unauthorised Items

When items such as drugs or weapons are confiscated from students, they are looked after following the guidelines in the school Drugs Policy. There are Health and Safety considerations associated with handling unidentified substances. Gloves should always be worn if available, or a bag can be turned inside out and used to pick up the suspected drug. It is legal for a staff member to confiscate substances thought to be illegal. Confiscated drugs should be sealed in a clear plastic bag, with an 'UNAUTHORISED ITEMS - CONFISCATION RECORD' form attached, (Appendix B) and locked away until collected by the police. Unauthorised items include but are not limited to items such as Vapes and Laser Pointers.

We are also able to confiscate items such as mobile phones when they are being used to cause a disturbance in class or contravene the school behaviour policy.

3.11 Out of school behaviour

We have a statutory power to discipline students for misbehaving outside of the school premises. Section 89(5) of the Education and Inspections Act 2006 gives us a specific statutory power to regulate pupils' behaviour in these circumstances "to such extent as is reasonable." The misbehaviour could be witnessed by a staff member or otherwise reported to the school. We therefore reserve the right to discipline a student for:

- any misbehaviour when the child is: taking part in any school-organised or school-related activity, travelling to or from school, wearing school uniform or in some other way identifiable as a pupil at the school.
- or misbehaviour at any time, whether or not the conditions above apply, that: could have repercussions for the orderly running of the school or poses a threat to themselves or another pupil or member of the public or could adversely affect the reputation of the school.
- The punishment will be proportionate to the misbehaviour and could be up to and including a suspension or permanent exclusion.

3.12 Consideration of individual circumstances

When sanctions are applied, we will always take into account each individual's personal circumstances. For some students with specific Additional Educational Needs, it may be necessary to make reasonable adjustments to the application of sanctions, to ensure the student is supported. This is likely to involve the SENCO/Inclusion Manager. If there is a perceived safeguarding concern for a student, their welfare is paramount when applying a sanction.

APPENDIX A

Investigating serious incidents of poor student behaviour at NKS

When a serious incident of poor student behaviour (potentially L4-L5) the following will apply:

Student Support Managers, Heads of Year and SLT will carry out an investigation. The following steps are taken:

1. Incident/information reported by staff or student.

- a)** When responding to an incident, the health and welfare of students is always the priority. First Aid or medical supervision is always given first if it is deemed necessary. (See *1). Those dealing with any incident will always need to consider if anyone else may be hurt or at risk due to the poor behaviour.
- b)** If it is a serious incident, SLT will be involved immediately. (See *2).

2. Evidence is collected, which may include:

- a) Material evidence.

The school will encourage co-operation from students when asked to empty their pockets/bags/lockers and hand over anything they should not have with them. This will not be carried out unless two members of staff are present, one of whom must be a member of the school's Senior Leadership Team / Pastoral Team. NKS staff follow the guidance outlined in the DFE document 'Searching, screening and confiscation' (July 2022 [Searching, Screening and Confiscation \(publishing.service.gov.uk\)](https://publishing.service.gov.uk)). When items such as drugs or weapons are confiscated from students, they are looked after following the guidelines in the school Drugs Policy (See *3).

- b) CCTV (if available)

- c) Interviews

- Student interviews and/or written statements.
- Witness interviews and/or written statements.
- Staff interviews and/or written statements.
- Follow-up interviews with students, witnesses and staff if necessary.

If it is a serious incident, all interviews of students will be carried out by 2 members of staff. Students will initially be asked to explain what happened and then asked to write a statement. Statements will be timed and dated and signed by the student and countersigned by the members of staff. Students will also be out into internal withdrawal pending further investigation.

3. Parents of the perpetrator will be kept informed on the first day of any investigation.

4. Discussion of evidence between Student Support Managers, Head of Year and SLT investigating the incident.

5. Judgement made and sanction issued. Parents are informed of the outcome.

Additional notes:

- In weighing up the evidence, the School will apply the civil standard of proof. This means that if something is more likely than not to have occurred ("on the balance of probabilities") then the standard is met.
- During an investigation, the student(s) involved may be placed in Internal Withdrawal if considered necessary. Any time spent in Internal Withdrawal will be taken into account when deciding the final sanction.
- If police involvement is deemed appropriate, the School will inform parents/carers and will invite them to come into school to participate in any interviews with the police.
- We are unable to comment on the outcome of sanctions for other students.

*1 – If a student appears intoxicated by drugs or drink whilst at school, first aid or medical supervision must be the first consideration. The parents or carers will be requested to collect him or her from school. If they are unavailable, the student will be supervised in a suitable room until the parents/carers are able to collect him or her. If necessary, the young person should be taken to the local Accident & Emergency Unit. The School's procedures for managing students suspected of, or found in possession of unauthorised drugs will also be applied, in conjunction with this investigation process (see Drugs Policy).

*2 – Serious incidents include – serious assault, possession of drugs, intoxication through drugs or alcohol, possession of weapons, other criminal offences. For drug and alcohol offences, the Designated Safeguarding Lead and Headteacher must be informed.

*3 - There are Health and Safety considerations associated with handling unidentified substances. Gloves should always be worn if available, or a bag can be turned inside out and used to pick up the suspected drug. It is legal for a staff member to confiscate substances thought to be illegal. Confiscated drugs should be sealed in a clear plastic bag, with an 'UNAUTHORISED ITEMS - CONFISCATION RECORD' form attached, and locked away until collected by the police.

**The purpose of an Equality Impact Assessment (EIA) is to ensure that policies, functions, plans or decisions do not create unnecessary barriers for people protected under the Equality Act 2010. Where negative impacts are identified these should be eliminated or minimised, and opportunities for positive impact should be maximised*

Impact analysis

- Indicate what type of impact this policy will have for each group, and explain why
- If a policy doesn't impact a group, tick the 'neutral impact' column and record this
- Remember that a policy may impact a group in multiple ways. For example, your curriculum policy may positively impact BAME pupils by promoting British values of mutual respect and tolerance, but negatively impact BAME pupils by failing to promote material that highlights a variety of cultures and ethnicities
