Summer Uniform

In the summer, when temperatures can be consistently high; summer uniform will operate. This means that blazers do not have to be worn and shorts can be worn. However, if a student is not warm enough, it is their blazer that should be worn. It cannot be replaced by other items such as hoodies, jumpers or coats. If particularly cold, a school jumper can still be worn under the blazer.

Summer uniform commences at the start of Term 6.

If it is particularly hot prior to term 6, Summer Uniform may commence early. This would be communicated to all staff, students and parents. In the event of really extreme temperatures, the uniform may be relaxed even further, with the removal of ties and potentially students attending in PE kit. This would be announced, as and when needed.

Exceptions

Exceptions to the uniform policy may be granted for reasons of religious observance. This would only be permitted following discussions between parents and the relevant Head of Year.

The Knatchbull Baccalaureate (KnatchBacc)

Our students' experience in school is built on four key pillars that make up the 'The Knatchbull Baccalaureate' (*Knatch. Bacc.*):

- **Academic** The timetable, the subjects, the lessons, the assessments, the exam outcomes... A rigorous academic curriculum, taught in creative and demanding ways, developing students' metacognition, recognising and acknowledging that secure understanding of knowledge underpins higher order thinking, synthesis (within and across subjects) and analysis.
- **Extra-Curricular** Enrichment, Sport, Music, The Arts... Through a wide range of enrichment and extra-curricular activities which broaden students' perspectives, knowledge, skills and talents; reinforcing that high quality outcomes in any field come as a result of commitment, targeted practice and teamwork, consequentially developing resilience, adaptability and learning through
