Dear Parents/Carers

OCR A Level Chemistry Revision Guides

The Chemistry department will be making a bulk order of A Level Chemistry Revision Guides. All A Level students will have the opportunity of purchasing a guide and we highly recommend that they do so.

The guides are published by Co-ordination Group Publications and would normally retail at £19.99 per subject. By purchasing copies in bulk we can obtain the guides for the reduced price of **£9.00** per copy.

To purchase a copy please complete and return the reply slip below with your payment in cash, by cheque (made payable to The Norton Knatchbull School), or by using the School's on-line payment facility. Please tick the appropriate box on the reply slip for your chosen payment option and return it to the Chemistry department.

The revision guides can then be collected from the Chemistry department.

Kind regards

Ms. C Duncalf
Subject Leader for Chemistry
