Dear Parents/Carers

We are very pleased to announce that we are introducing a fantastic new way to communicate and share information with you, our parent community. At NKS we want you to feel as much a part of your son's/daughter's education as possible. With the increased use of smart phone technology we want to make best use of it.

**MyED** is a free parent app that gives you a multitude of communication and information features to stay in touch with what is going on at school. The app gives you direct access to your child's attendance, timetable, absence records, achievements and behaviour data. You will also see that we update and change the information in the app as the school year moves along.

In addition to the usual way we send you e-mails/text messages, we are able to send messages directly to the **MyED** app relating to important information about your child's education, attendance and to remind you of events that are taking place at school; you will receive a notification if we send you a message.

The **MyED** app is available for both Apple iOS and Android devices and can be found by following the instructions on the attached poster.

Once you have installed and opened **MyED**, search for **The Norton Knatchbull School** and follow the simple instructions to identify yourself. Please note that the mobile number used should be **the same** as we hold for you in our student database, the system will check this overnight. Parents/carers with more than one child at NKS will see the names of all children listed under the 'My Student' button on the App.

As with all new software you may have some queries; if you do please contact the School Office by emailing [events@nks.kent.sch.uk](mailto:events@nks.kent.sch.uk) (please enter 'MyED APP' in the subject line). As and when information becomes available that we can share with you, we will add more items to the App and inform you when this is the case.

We hope you enjoy using the app and find it a useful source of information.

Yours sincerely

Ms S K Staab  
Headteacher
