13 September 2018  
NGC/hp/GCSEMathsRevisionResources

Dear Parent/Carer,

### GCSE Maths Revision Resources

We are pleased to offer the following GCSE Maths revision resources for Year 11 students.

### GCSE Maths CGP Complete Revision & Practice (with online edition) - Higher (MXHS43)

These are excellent revision tools when used in conjunction with school learning as they cover topics in summary form. This enables your son to focus on the key points for any topic. The revision pack also contains two full practice exam papers and mark schemes.

The guides cost £5.50 each when ordered through the school.

### MathsWatch DVD

The MathsWatch GCSE disc contains video clips covering the GCSE course. It includes 240+ topics covered by video clips and 300+ worksheets with answers. The disk also contains functional skills questions and worksheets.

This DVD costs £4.00 when ordered through the school.

### GCSE CGP Grade 8/9 targeted exam practice workbook.

Your son has been issued with a CGP exam practice book that has been provided by the school. You may purchase an additional practice book that targets grade 8/9 topics. (MX9Q42) Price £2.50

If you wish to order any of the above, please complete and return the reply slip below to Student Reception by Friday 28 September 2018 (alternatively payment can be made online). The school will then order the necessary quantities.

Yours sincerely

Mr N Cotton  
Subject Leader for Maths
